RYE WHISKEY

Rye whiskey was the prevalent whiskey in the United States in the late 1700's. It was almost forgotten after prohibition, but has been rediscovered. It's big, bold, and spicy, when properly made, delivering a smooth finish, making it the perfect whiskey for a classic Sazerac cocktail

Old Weller 'Antique' Single Barrel

One of the original wheated bourbons, Old Weller was produced at the historical Stitzel-Weller distillery where Julian 'Pappy' Van Winkle worked all his life. The old stocks of this bourbon were part of the original bottles of the rare Pappy Van Winkle. Now distilled at the Buffalo Trace distillery, this is one of the more iconic & rare bourbons in the market, which we are happy to offer you.

Full bodied, complex and extremely balanced, this is a whiskey not to miss!
